# Benefits of Teamwork

What are the advantages for you and your organization to teamwork?

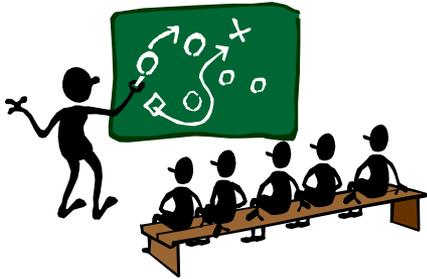

# Benefits of Teamwork

- Manage complex work
- Better information
- Ownership of task
- Impacts morale
- Creative results
- Others?

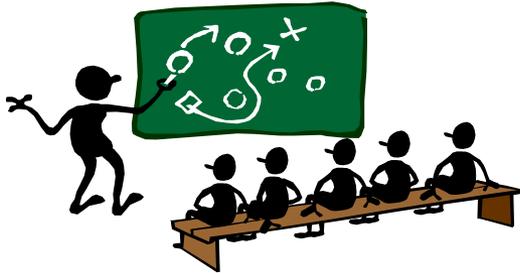

# Your teamwork experiences

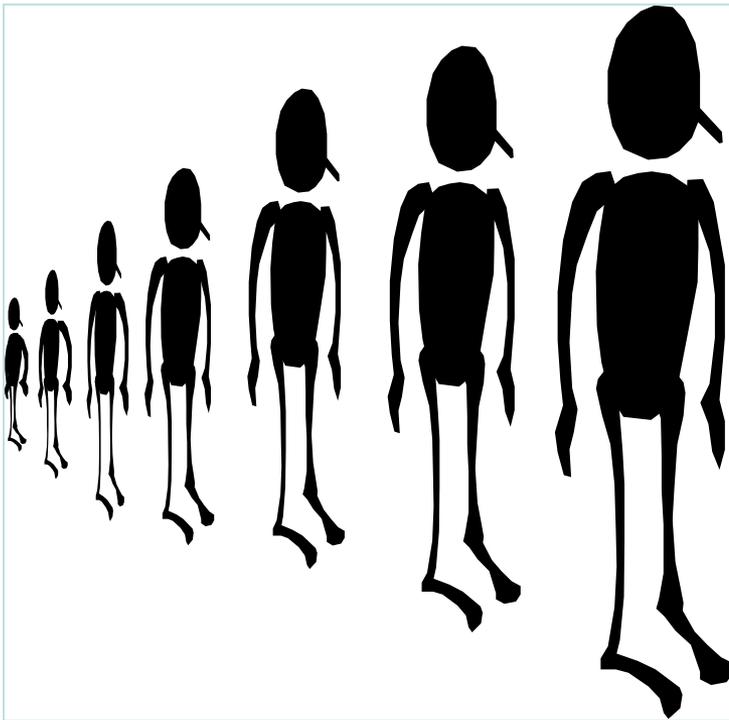

- Find a partner
- Either in your work or personal life talk about any team experiences you may have had
- What were the benefits, what did you like, what did you not like?

# Your work becomes teamwork

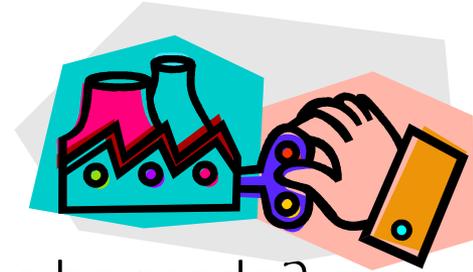

- Identify a work task or activity?
- Is there a work process that needs improvement?
- Create a plan to do this work?
- Goal? Purpose? Who is involved? Roles?  
Resources? Schedule? Milestones?  
Communications?

# Teamwork Challenges

- What challenges will you have to deal with?
  - Time?
  - Conflict?
  - Change?
  - Leadership style?
  - Organizational support?
- How will you deal with them?

# Teamwork Tools

- Establish some ground rules- ex. how will decisions be made?
- Have defined roles, responsibilities?
- Talk about standards of behaviour?
- Obtain and share information (ex.data)
- Document actions, keep records
- Use technology-ex.data, share information
- Communicate progress, celebrate success

# Summary- next steps?

- How did this work for you?
- Are there one or two things that really hit home for you?
- This is just the beginning
- The last word is yours
