
Will developing leadership skills
contribute to a strengthened and
empowered public sector?

Leadership

Moderator:

Altangerel R., MERIT

Jan Link, MERIT

Purpose

- In groups we will share and exchange our observations, perceptions and experiences with leadership.
- Collectively we will identify ways to develop and strengthen leadership.

Activity

- Groups will be assigned two questions – 25 minutes
 - MERIT HOST- note taker and reporter
 - Each group will discuss assigned question and question 6
 - Briefly report highlights to question and recommendations for collectively developing and strengthening leaders in organizations. (2-3 min)

Each table will be assigned one question

- What does Leadership mean? How has it evolved over time? How will it need to evolve to meet our future needs?
- Describe the actions and behaviors of the person that you have experienced as your best leader
- What are some of the actions a leader can take to create a climate for change and encourage innovation?
- What do we expect of our leaders: competencies, behaviors, actions and values?
- How critical is leadership effectiveness to our success? What are three things you can do to enhance your own leadership skills?

Tables 1 & 6 – Questions 1 & 6

Tables 2 & 7 – Questions 2 & 6

Tables 3 & 8 – Questions 3 & 6

Tables 4 & 9 – Questions 4 & 6

Tables 5 & 10 – Questions 5 & 6

All groups discuss

Recommendations for how we can collectively develop and strengthen leadership in organizations?

Recommendations for how we can collectively develop and strengthen leadership in organizations?

Thank you!
